

MSI Mold Builders Moves to a Digital Office with *ECMNOW!*

As a state-of-the-art injection mold producer, MSI Mold Builders wanted to digitize their AP processes and cut down on processing time for over 1,200 invoices received monthly. Using a suite of *ECMNOW!* products, including PaperVision® Forms Magic, they've increased efficiency, saved money, and gained control!

- Invoices take **only 15 minutes to process** instead of over an hour, saving more than 10,000 hours of productivity annually
- **100% of documents** are now protected from disaster
- Now saves more than \$40 per invoice processed, **a total cost savings of \$676,000 per year**
- Implementation and training for nine people were completed in **just a week**
