ix1600

Setting the standard for scanning

Setting the standard for scanning

Get more done in less time

The iX1600 is the all-in-one document-management solution leading the industry in efficiency and flexibility, easing your transition from physical paper to digital data. It lets you digitize and organize all your documents with one touch and enjoy all the benefits you'd expect from ScanSnap within the fastest possible times.

Managing all your paperwork can be hard work—and time consuming. The iX1600 was designed to simplify paper processes to maximize your productivity, and includes advanced organizational features that give you effortless control.

Flexible and intuitive

On its 4.3" LCD touch screen, every task can be done with one touch. In fact, the iX1600 intelligently adapts to your preferences and continues to evolve around your needs. The more you use it, the better it works for you.

No need to prep and sort—its streamlined scanning process lets you scan batches of different document types so lengthy chores become quick, enjoyable jobs.

What it does is complex. How you use it is simple.

Scan anytime

Use the iX1600 anywhere there's Wi-Fi. No need for a PC. If Wi-Fi becomes restricted or unavailable, you're covered. This scanner has a secure USB connection, too.

Make it your own

The touch screen can be customized so it works at a glance. Personalize icons for function and user—and color code them, too—for up to five people.

Scan anywhere

Predefined profile buttons automatically create the file type and save it to your preferred destination—even in the Cloud.

- Scan PC-free to selected destinations
- Scan to any mobile device using ScanSnap Connect App
- Scan directly to email, printer, iPhoto, or any folder in ScanSnap Home
- Scan to your favorite Cloud platform including Evernote, Dropbox, Google Drive, and more

Powerful, efficient performance

Ultra-fast setup

Scanners should make your life easier, not slow you down. With the iX1600, setup is so simple you'll be converting papers into digital files in no time. Once setup is done, simply open the lid and the scanner powers up—it's ready to go.

PC-free scanning

Wherever there's Wi-Fi, ScanSnap Cloud functionality automatically recognizes up to four different document types and scans them to your predefined Cloud storage locations. Even with no PC, ScanSnap Cloud will conduct image processing and optimization along the way. Simply place the scanner in the most convenient location and scan away.

Built-in functionality

Quickly and easily convert the papers you have into the applications you use with preprogrammed scans, and instantly create the type of file you want—searchable PDFs, and editable Word, Excel, or PowerPoint files. You can also extract data from receipts and business cards.

Industry-leading reliability

Using professional grade feeding technology and ultrasonic sensors, the iX1600 handles multi-page documents with ease. And you can set an alert to tell you if two or more pages are fed through the scanner at once—to make sure no page gets lost.

Hassle-free receipt scanning

Effortlessly scan small documents (think receipts and business cards) with the Receipt Guide. It dramatically simplifies document loading and saves you time otherwise spent prepping and feeding.

Maximum productivity

The large ADF (Automatic Document Feeder) holds up to 50 sheets, freeing you from the tedious job of manually inputting individual pages. It scans at a fast 40 pages per minute—that's 33% faster than its predecessor—and the two-sided (duplex) scanning feature will have you digitizing paperwork in half the time.

Flexibility at your fingertips

For small teams, the ability to share a single device among five users will be a game-changer for your productivity. Each can have their own set of color-coded scanning profile buttons. Wi-Fi or USB provide flexible deployment options, or you can scan a PDF directly to your mobile device via Wi-Fi in Direct Connect Mode.

Automated operation

A host of intelligent image processing functions are done for you, so you can scan confidently without adjusting settings.

Automatic Color Detection

Automatic De-Skew & Rotation

Blank Page Removal

Automatic Size Detection

Quick Menu for instant file creation

Using a PC or Mac, you can activate the Quick Menu function to scan first and decide later where to send your documents. (It comes in handy for ad-hoc scanning.) You'll find most of the applications you know and use in ScanSnap Home, and you can always add more.

Total document management

ScanSnap Home makes paperwork effortless

This all-in-one software brings together all your favorite functions to help you power through your scanning in no time. Easily manage, edit, and utilize scanned data from documents, receipts, business cards, photos, and more.

Documents are recognized and grouped by document type (receipts, photographs, business cards, etc.) while folders, tags, and keywords allow you to easily organize, search, and find information.

iX1600 Technical Specifications

Product name	iX1600 (White/Black)	
Scanner type	ADF (Automatic Document Feeder)/Manual Feed, Duplex	
Scanning color mode	Color, Grayscale, Monochrome, Automatic (Color/Grayscale/Monochrome ^{*1} detection)	
Image sensor	Color CIS x 2 (Front x 1, Back x 1)	
Light source	3 Color LED (Red/Green/Blue)	
Optical resolution	600 dpi	
Scanning speed ^{*2} (A4 portrait)	Auto mode (Default) ^{*3}	Simplex/Duplex: 40 ppm
	Normal mode	Simplex/Duplex: 40 ppm (Color/Grayscale: 150 dpi, Monochrome: 300 dpi)
	Better mode	Simplex/Duplex: 40 ppm (Color/Grayscale: 200 dpi, Monochrome: 400 dpi)
	Best mode	Simplex/Duplex: 40 ppm (Color/Grayscale: 300 dpi, Monochrome: 600 dpi)
	Excellent mode ^{*1}	Simplex/Duplex: 10 ppm (Color/Grayscale: 600 dpi, Monochrome: 1,200 dpi)
Document size	Normal scan ^{*4}	Minimum: 50.8 x 50.8 mm (2 x 2 in.) Maximum: 216 x 360 mm (8.5 x 14.17 in.)
	Manual scan	A3, B4, 279 x 432 mm (11 x 17 in.)
	Long paper scanning ^{*5}	3,000 mm (863 mm in 32-bit) Smart Device: 863 mm (Duplex), 1,726 mm (Simplex)
Paper weight (Thickness)	40 to 209 g/m ² (11 to 56 lb) A8 size or less: 128 to 209 g/m ² (34 to 56 lb) Cards: 0.76 mm or less (Compliant with the ISO7810 ID-1 type) (Includes embossed cards in landscape orientation)	
ADF capacity ^{*7}	50 sheets (A4, 80 g/m ² or 20 lb)	
Interface	USB	USB 3.2 Gen1x1 / USB 2.0 / USB 1.1 (Connector Type: Type-B) ^{*8}
	Wi-Fi	IEEE802.11a/b/g/n/ac Frequency band: 2.4 GHz / 5 GHz ^{*9}
Wi-Fi Interface	Access Point Connect Mode (Infrastructure mode) ^{*10} Direct Connect Mode (Ad-hoc mode) ^{*11}	
LCD	4.3 in. color TFT touch screen	
Power requirement	AC 100 to 240 V, 50/60 Hz	
Power consumption	Operating	17 W or less
	Sleep mode (USB connected)	1.5 W or less
	Sleep mode (Wi-Fi connected)	1.6 W or less
Operation environment	Temperature: 5 to 35 °C (41 to 95 °F) Relative humidity: 20 to 80% (Non-condensing)	
Dimensions (W x D x H) ^{*12}	292 x 161 x 152 mm (11.5 x 6.3 x 6.0 in.)	
Device weight	3.4 kg (7.5 lb)	
Environmental compliance	ENERGY STAR [®] /RoHS	
Multifeed detection	Overlap detection (Ultrasonic sensor), Length detection	
Driver	ScanSnap Home (ScanSnap specific driver) • Windows [®] : Does not support TWAIN/ISIS [™] • macOS: Does not support TWAIN	

^{*1} Available only when connecting to a computer. ^{*2} Scanning speeds may vary due to the system environment used. ^{*3} Scans will be made in "Best mode" if shorter sides are less than 105 mm and in "Better mode" if not. ^{*4} A3 scans are possible with use of A3 carrier sheets. ^{*5} Available in all modes except for "Excellent mode". ^{*6} Indicated specifications apply when using ScanSnap Home. ^{*7} Maximum capacity varies, depending upon paper weight. ^{*8} Some computers do not recognize the ScanSnap when it is connected to a USB 3.2 Gen1x1/3.0 port. In this case, please use a USB 2.0 cable. ^{*9} Availability of 5 GHz Wi-Fi may vary depending on region. ^{*10} Access Point Connect Mode requires a Wi-Fi access point or router. ^{*11} 5 GHz Wi-Fi is not available with Direct Connect Mode. ^{*12} Excluding the stacker and other external attachments.

System Requirements

Windows[®]

Operating systems	Windows [®] 10 (32-bit / 64-bit) ^{*1,2} Windows [®] 8.1 (32-bit / 64-bit) ^{*2} Windows [®] 7 (32-bit / 64-bit)	
Hardware requirements ^{*3}	CPU ^{*4}	Intel [®] Celeron 1.8 GHz (2core) or higher (Recommended: Intel [®] Core [™] i5 2.5 GHz or higher)
	Memory capacity ^{*4}	2 GB or more (Recommended: 4 GB or more)
	Display resolution	1,024 x 768 pixels or more
	Disk capacity ^{*5,6}	3.8 GB or more of free hard disk space

^{*1} ScanSnap scanners do not run with Windows[®] 10 ARM-based PCs. ^{*2} Operate Windows in desktop mode. ^{*3} The ScanSnap device may not work if the connected computer does not meet these requirements. ^{*4} Scanning speeds may drop if the recommended CPU, memory capacity and USB 1.1 requirements are not met. ^{*5} Indicated disk capacity requirements apply when downloading ScanSnap Home. ^{*6} NET Framework 4.7 or later must be installed. If it is not installed, it is installed with ScanSnap Home. Up to 4.5 GB of disk space is required for the installation. *Please refer to the ScanSnap website for the latest support information of the driver and applications. Compatibility may differ depending on the software's version. *The system requirements may change depending on the support policies of the above system and third-party software.

Mac

Operating systems	macOS v.10.12.4 or later	
Hardware requirements ^{*1}	CPU ^{*2,3}	Intel [®] Core i5 1.4 GHz or higher (Recommended: Core i5 2.5 GHz or higher)
	Memory capacity ^{*3}	2 GB or more (Recommended: 8 GB or more)
	Display resolution	1,024 x 768 pixels or more
	Disk capacity	2.0 GB or more of free hard disk space

^{*1} The ScanSnap device may not work if the connected computer does not meet these requirements. ^{*2} The ScanSnap device also operates with Apple Silicon-based Mac computers. Please visit the ScanSnap website for latest support information. ^{*3} Scanning speeds may drop if the recommended CPU, memory capacity and USB 1.1 requirements are not met. *Compatibility may differ depending on software versions. Please visit the ScanSnap website for latest information on driver and application support. *The system requirements may change depending on the support policies of the above system and third-party software.

Software

Windows [®]	Mac
ScanSnap Home ^{*1}	
ScanSnap Manager ^{*2}	
Kofax Power PDF Standard ^{*3,4}	Kofax Power PDF Standard for Mac ^{*3,4}
ABBYY FineReader for ScanSnap [™]	

^{*1} ScanSnap Home installation requires a computer and Internet. Activation is also necessary for software use. Please visit the company website for download information. <https://scansnap.fujitsu.com/g-support/en>. ^{*2} ScanSnap Manager V.71 and later is required. ^{*3} Please refer to the included license certificate to download the software. ^{*4} Kofax Power PDF is not included with the iX1600.

Accessories

	Optional Accessories	Part Number
ScanSnap Bag	Protects the scanner from dust and scratches	PA03951-0651
Document Carrier Sheet (5 pack)	Transparent sleeves for scanning A3, small or damaged documents	PA03360-0013
Photo Carrier Sheet (3 Pack)	Transparent sleeves for scanning photographs and postcards	PA03770-0015
Cleaning Wipes	ScanSnap cleaning wipes (24 pack)	PA03950-0419
ScanAid Consumable Kit	Includes 1x Pick Roller and 1x Brake Roller. Estimated Life up to 200K scans	CG01000-277701
3 Year Extended Warranty	Extends the 1 Year Standard Warranty to 3 Years	SIX1600-DEPW5DY-3
